

To our valued SecurAssist Members:

The safety and well-being of our Members is always our priority, and, during this pandemic, our global team is engaged to continually assess and monitor its impact and to be available as a trusted resource for our Members.

Our Security Experts are closely monitoring the Centers for Disease Control and Prevention's (CDC) and World Health Organization's (WHO) statements regarding the novel coronavirus (COVID-19) and are following guidelines set forth by these agencies as well as other health agencies worldwide.

SecurAssist's 24/7 response centers are not operationally impacted by the situation and remain available to support our Members facing security threats. SecurAssist can provide the following services and resources for those directly or indirectly affected by the pandemic:

- **Complimentary Services:**

To access the following resources, eligible companies and their representatives should make sure to register at <https://www.securassist.com/wp-login.php?action=register>.

- **Real-Time Security & Global Alerts:** Registered Members can login to the Authorized Area at www.securassist.com/wp-login to access real-time, location-specific alerts.
- **Global RiskMonitor Map:** Companies' designated representatives have access to an interactive map of active alerts, country profiles and security briefs, and can set up automatic notifications to receive alerts via email.
- **24/7 Access to Security Experts:** For further information regarding a specific alert, risk or a country's travel restrictions, Security Experts are available 24 hours a day, 7 days a week to assist and advise Members.

- **Fee-Based Services:**

SecurAssist Registered Companies can request further assistance for any security related projects, including but not limited to:

- In-Depth Pandemic Risk Management Consultancy
- In-Depth Risk and Threat Assessment
- Security Evacuation and Repatriation
- Safe House Arrangement
